**The IBC is earthed by metal contact plates in the outer runners**

**Giving full ex-protection even when the IBCs are stacked**

**Environmentally friendly through the use of high-quality recyclate material from our reconditioning service**

**Exceptionally stable and impact resistant**

**Very good resistance to chemicals**

**Hygienic and corrosion resistant**

**Pallet has excellent liftability**

---

**SCHÜTZ plastic pallets – now available for ex-zones!**
