LRQA

Certificate of Approval

This is to certify that the Food Safety Management System of:

Schütz Benelux B.V.

Westelijke Randweg 23, 4791 RT Klundert, The Netherlands

has been assessed by LRQA and determined to comply with the requirements of:

FSSC 22000

Certification scheme for food safety management systems consisting of the following elements:

ISO22000:2018, ISO/TS 22002-4:2013, ISO/TS 22002-5:2019 and additional FSSC 22000 requirements (version 6)

Food Chain (Sub) Category: G & I

Approval number(s): FSSC 22000 – 0022092, FSSC 22000 – 00043497

COID: NLD-1-9228-849323

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Design and Manufacturing of containers in plastic or plastic/steel combinations, not reconditioned, and inside coated steel drums for use as food packaging. Storage and distribution under ambient conditions of containers in plastic-steel combination for use as food packaging. This audit included the following central FSMS processes managed by SCHÜTZ GmbH & Co. KGaA, Selters, Germany: Quality management, technical customer service, product approvals and regulation, product development, material purchasing.
Exclusions: reconditioned IBC containers. These are not validated suitable for use in food industry, and processed in a fully segregated factory hall, with different staffing from the main production. There is no interaction between the IBC production and the reconditioning area and no cross contamination is possible.

At least one (1) surveillance audit is required to be undertaken unannounced after the initial certification audit and within each three (3) year period thereafter.
